Sir,

I am directed to forward herewith the observations made by this Tribunal in Appeal no. 243/2011/DCT in the matter of Sh. Sunil Kant Saini Vs RCS & Ors., which are as follows:-

Before parting with the order we would like to mention that because of absence of transparency in the day to day work of the societies by its managing committees, the litigation is on increase. Members of the societies are not aware of the proceedings conducted by the managing committee. This is high time for all the societies to have their own websites. We feel that if the proceedings or the notices to the members are uploaded on the website, the litigation would decrease.

For, further perusal/consideration at your end, and an action taken in the matter may please be communicated to the Tribunal.

Yours faithfully

Encl:- As above
